

Wiggle woo

Wiggle Wiggle Wiggle woo
I need a poo or a wee
I do the sign the sign the sign
so you can see.

Where is the potty, where is it hiding
find it quick, my pants asliding
take a seat, you're now the sailor
bobbing on the sea.

Bob bob bob bob
bobbing on the sea
bob bob bob bob
Im doing a poo or a wee

Wiggle Wiggle Wiggle woo
I've done a poo or a wee
Clap your hands and take a peek,
aren't you pleased with me?
Take a look and see,
its time to get back to the sea.
